ABOUT

GEVA's concept is bringing timeless and natural beauty to your home, where the birth of GEVA is a result of love and appreciation towards rattan and the local craftsmanship in Indonesia who made it. We believe that our existence will bring positive impacts to people, whether our customers, partners, staff and our makers. The products we made are handcrafted from natural materials, chosen with consideration for the environment and the planet we all share. There is nothing more personal than decorating your home and choosing the right piece of home decor to fit the look you have envisioned. This is why we would like to offer you our products. Made from high quality materials and crafted with beautiful designs.
